

From Louise Solomon:

Here is the **Faust 2010 schedule** for the next two weeks. Next week you may notice that Faustus and Devils are singing 2 nights in a row sometimes. The reason for that is one of our Margaritas and 2 of our Seibels have conflicts on Tuesday and Wednesday evening. I am trying very hard to group casts together.

**CHORUS:** You can come on any day from now on. We especially need you on Thursdays and Sundays.

**Sunday's rehearsals now start at 5pm. We would like to start our weeknight rehearsals at 6pm during the week of September 28. PLEASE LET ME KNOW IF THIS IS POSSIBLE!!!**
